Introduction

On December 23, 2004, President George W. Bush signed the Federal Employee Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The law directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants. Section 715 of the National Defense Authorization Act for Fiscal Year 2017 (FY 2017 NDAA), Public Law 114-38, expanded FEDVIP eligibility to certain TRICARE-eligible individuals.

This brochure describes the benefits of Aetna Vision under Aetna Life Insurance Company's contract OPM02-FEDVIP-02AP-02 with OPM, as authorized by the FEDVIP law. The address for our administrative office is:

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your benefits. You and your family members do not have a right to benefits that were available before January 1, 2024, unless those benefits are also shown in this brochure.

If you are enrolled in this plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One, you and your designated family member are entitled to these benefits. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits, if they are also listed on the coverage.

OPM negotiates benefits and rates with each carrier annually. Rates are shown at the end of this brochure.

Aetna is responsible for the selection of in-network providers in your area. Contact us 1-855-347-6899 for the names of participating providers or to request a provider directory. You may also request or view the most current directory via our website at www.aetnafeds.com. Continued participation of any specific provider cannot be guaranteed. Thus, you should choose your plan based on the benefits provided and not on a specific provider's participation. When you phone for an appointment, please remember to verify that the provider is currently in-network. If your provider is not currently participating in the provider network, you can nominate them to join. Please print off a nomination form from our website at www.aetnafeds.com or call us and we will have a form sent to you. Bring the form to your provider and ask them to complete it if they are interested in participating in our network. You cannot change plans, outside of open season, because of changes to the provider network.

Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas. If you require the services of a specialist and one is not available in your area, please contact us for assistance.

This Aetna Vision Plan and all other FEDVIP plans are not a part of the Federal Employees Health Benefits (FEHB) Program.

Discrimination is Against the Law

Aetna complies with all applicable Federal civil rights laws, to include both Title VII of the Civil Rights Act of 1964 and Section 1557 of the Affordable Care Act. Pursuant to Section 1557, Aetna does not discriminate, exclude people, or treat them differently on the basis of race, color, national origin, age, disability, or sex.

Section 1 Eligibility

Federal Employees	If you are a Federal or U.S. Postal Service employee, you are eligible to enroll in FEDVIP, if you are eligible for the Federal Employees Health Benefits (FEHB) Program or the Health Insurance Marketplace (Exchange) and your position is not excluded by law or regulation. Enrollment in the FEHB Program or a Health Insurance Marketplace (Exchange) plan is not required.
Temporary/Seasonal Employees	Certain temporary, intermittent, and seasonal Federal and U.S. Postal Service employees are now eligible to enroll in FEDVIP. To be eligible, these employees must be expected to work 130 hours per calendar month for at least 90 days. In addition, certain firefighters hired under a temporary appointment and intermittent emergency response personnel are eligible to enroll in FEDVIP. The employing agency must determine and notify these employees of their eligibility.
Federal Annuitants	<p>You are eligible to enroll if you:</p> <ul style="list-style-type: none">• retired on an immediate annuity under the Civil Service Retirement System (CSRS), the Federal Employees Retirement System (FERS), or another retirement system for employees of the Federal Government;• retired for disability under CSRS, FERS, or another retirement system for employees of the Federal Government. <p>Your FEDVIP enrollment will continue into retirement, if you retire on an immediate annuity or for disability under CSRS, FERS or another retirement system for employees of the Government, regardless of the length of time you had FEDVIP coverage as an employee. There is no requirement to have coverage for 5 years of service prior to retirement in order to continue coverage into retirement, as there is with the FEHB Program.</p> <p>Your FEDVIP coverage will end if you retire on a Minimum Retirement Age (MRA) + 10 retirement and postpone receipt of your annuity. You may enroll in FEDVIP again when you begin to receive your annuity.</p>
Survivor Annuitants	If you are a survivor of a deceased Federal/U.S. Postal Service employee or annuitant and you are receiving an annuity, you may enroll or continue the existing enrollment.
Compensationers	A compensationer is someone receiving monthly compensation from the Department of Labor's Office of Workers' Compensation Programs (OWCP) due to an on-the-job injury/illness who is determined by the Secretary of Labor to be unable to return to duty. You are eligible to enroll in FEDVIP or continue FEDVIP enrollment into compensation status.
Family Members	Except with respect to TRICARE-eligible individuals, family members include your spouse and unmarried dependent children under age 22. This includes legally adopted children and recognized natural children who meet certain dependency requirements. This also includes stepchildren and foster children who live with you in a regular parent-child relationship. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support. FEDVIP rules and FEHB rules for family member eligibility are NOT the same. For more information on family member eligibility visit the website at www.opm.gov/healthcare-insurance/dental-vision/ or contact your employing agency or retirement system.

With respect to TRICARE-eligible individuals, family members include your spouse, unremarried widow, unremarried widower, unmarried child, and certain unmarried persons placed in your legal custody by a court. An unremarried former spouse who meets the U.S. Department of Defense's 20-20-20 and/or 20-20-15 benefit eligibility requirements may only enroll in a self-only FEDVIP vision plan. Children include legally adopted children, stepchildren, and pre-adoptive children. Children and dependent unmarried persons must be under age 21 if they are not a student, under age 23 if they are a full-time student, or incapable of self-support because of a mental or physical incapacity.

Not Eligible

The following persons are not eligible to enroll in FEDVIP, regardless of FEHB eligibility or receipt of an annuity or portion of an annuity:

- FEHB Temporary Continuation of Coverage (TCC) enrollees

- Active duty uniformed service members. **Note:** If you are an active duty uniformed service member, your dental and vision coverage will be provided by TRICARE. Your family members will still be eligible to enroll in the TRICARE Dental Plan (TDP).
- Temporary/seasonal employees who does not meet the 130 hours per calendar month for 90 days.

Section 2 Enrollment

Enroll Through BENEFEDS

You must use BENEFEDS to enroll or change enrollment in a FEDVIP plan. BENEFEDS is a secure enrollment website (www.BENEFEDS.com) sponsored by OPM. If you do not have access to a computer, call 1-877-888-FEDS (1-877-888-3337), TTY number 1-877-889-5680 to enroll or change your enrollment.

If you are currently enrolled in a FEDVIP vision plan and want to switch to Aetna Vision, you must change enrollment through BENEFEDS. If you do not want to change plans or options, your enrollment will continue automatically. Please note: your plans' premiums may change for 2024.

Note: You cannot enroll or change enrollment in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, PostalEase, EBIS, MyPay, or Employee Personal Page. However, those sites may provide a link to BENEFEDS.

Enrollment Types

Self Only: A Self Only enrollment covers only you as the enrolled employee or annuitant. You may choose a Self Only enrollment even though you have a family; however, your family members will not be covered under FEDVIP.

Self Plus One: A Self Plus One enrollment covers you as the enrolled employee or annuitant plus one eligible family member whom you specify. You may choose a Self Plus One enrollment even though you have additional eligible family members, but the additional family members will not be covered under FEDVIP.

Self and Family: A Self and Family enrollment covers you as the enrolled employee or annuitant and all of your eligible family members. You must list all eligible family members when enrolling.

Dual Enrollment

If you or one of your family members is enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; i.e., you (or covered family members) cannot be covered by two FEDVIP dental plans or two FEDVIP vision plans.

Opportunities to Enroll or Change Enrollment

Open Season

If you are an eligible employee, annuitant, or TRICARE-eligible individual (TEI), you may enroll in a dental and/or vision plan during the November 13, 2023, through midnight EST December 11, 2023, Open Season. Coverage is effective January 1, 2024.

During future annual Open Seasons, you may enroll in a plan, or change or cancel your dental and/or vision coverage. The effective date of these Open Season enrollments and changes will be set by OPM. **If you want to continue your current enrollment, do nothing. Your enrollment carries over from year to year, unless you change it.**

New hire/Newly eligible

You may enroll within 60 days after you become eligible as:

- a new employee;
- a previously ineligible employee who transferred to a covered position;
- a survivor annuitant if not already covered under FEDVIP; or
- an employee returning to service following a break in service of at least 31 days.
- a TRICARE-eligible individual

Your enrollment will be effective the first day of the pay period following the one in which BENEFEDS receives and confirms your enrollment.

*Position must be in a Federal agency that provides dental and/or vision coverage with 50 percent or more employer-paid premium.

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan's service area; and
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of a loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives and confirms the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days have not yet elapsed. That means once you have enrolled in either a dental or a vision plan, you cannot change or cancel that particular enrollment until the next Open Season, unless you experience a QLE that allows such a change or cancellation.

VA Exception for Cancellation

Generally, you may cancel your enrollment only during the annual Open Season. However, if you are a FEDVIP enrollee paying premiums on a **post-tax basis**, and you, your family member, or TEI family member becomes eligible for VA dental or vision benefits, then you **may** change your enrollment type or cancel your enrollment within 60 days of receiving notification of VA dental or vision eligibility. This 60-day period may fall outside of open season. VA dental or vision eligibility documentation must be submitted to OPM via the BENEFEDS mailbox (benefedsportal@opm.gov) within 60 days of notification to support the FEDVIP enrollment change or cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the Open Season effective date. An eligible family member's coverage also ends upon the effective date of the cancellation.

If you are a FEDVIP enrollee paying premiums on a **pre-tax basis**, and you, your family member, or TEI family member becomes eligible for VA dental or vision benefits, then you **may not** change or cancel your FEDVIP enrollment until the next open season.

FEDVIP enrollees can verify if they are paying their premiums on a pre- or post- tax basis by contacting BENEFEDS at 1-877-888-3337, TTY number 1-877-889-5680.

When Coverage Stops

Coverage ends for active and retired Federal, U.S. Postal employees, and TRICARE-eligible individuals when you:

- no longer meet the definition of an eligible employee, annuitant, or TRICARE-eligible individual;
- as a Retired Reservist you begin active duty;
- as sponsor or primary enrollee leaves active duty
- begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- are making direct premium payments to BENEFEDS and you stop making the payments;
- cancel the enrollment during Open Season;
- a Retired Reservist begins active duty; or
- the sponsor or primary enrollee leaves active duty.

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

Continuation of Coverage

Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under FEDVIP plans:

- Temporary Continuation of Coverage (TCC);
- spouse equity coverage; or
- right to convert to an individual policy (conversion policy).

FSAFEDS/High Deductible Health Plans and FEDVIP

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA), you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

Please review IRS - Publication 969, Health Savings Accounts and Other Tax-Favored Health Plans (www.irs.gov/forms-pubs/about-publication-969) for additional information about carryover and contribution amounts for the upcoming tax year. If you have an HCFSA or LEX HCFSA FSAFEDS account and you have not exhausted your funds by December 31st of the plan year, FSAFEDS can automatically carry over a set maximum amount of unspent funds into another health care or limited expense account for the subsequent year. To be eligible for carryover, you must be employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st. You must also actively re-enroll in a health care or limited expense account during the next Open Season to be carryover eligible. Your reenrollment must meet the minimum contribution amount for the plan year. If you do not reenroll, or if you are not employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st, your funds will not be carried over.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time permitted. This is known as the “Use-it-or-Lose-it” rule. Carefully consider the amount you will elect.

Current FSAFEDS participants must re-enroll to participate in the program next year.

See www.fsafeds.com or call 1-877-FSAFEDS (372-3337) or TTY: 1-866-353-8058. **Note: FSAFEDS is not open to retired employees or to TRICARE eligible individuals.**

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you may use your HSA or HRA to pay for qualified dental/ vision costs not covered by your FEHB and/or FEDVIP plans.

Section 3 How You Obtain Care

Identification Cards/ Enrollment Confirmation	<p>We will send you two identification (ID) cards when you initially enroll in Self, Self Plus One or Self and Family. You should carry your ID Card with you at all times. You can print a temporary ID card online or call customer service at 1-855-347-6899 to verify your eligibility in the plan.</p> <p>If you are enrolled in an FEHB plan, it is important to bring your FEHB identification card to every vision appointment because most FEHB plans offer some level of vision benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.</p>
Plan Providers	<p>We list plan providers in the provider directory, which is updated nightly. The provider directory is on our website www.aetnafeds.com. It is your responsibility to ensure that the provider chosen is an active participant in the program at the time you receive services. The Aetna Vision Preferred network is specific to routine vision care and is different from the network for the Aetna medical plan.</p> <p>In some cases, due to local regulations or business practices, the doctor may be independent of the retail location. You should confirm that both the doctor and the retail location are participating prior to seeking services.</p>
In-Network	<p>We negotiate rates with vision care providers and other health care providers to help save you money. Aetna Vision Preferred in-network providers are contracted through EyeMed Vision Care. When scheduling an appointment, you should identify yourself as a member of the FEDVIP Aetna Vision Preferred plan. The provider is then responsible for verifying eligibility by contacting Aetna Vision Preferred either by telephone or via the web. We refer to these providers as “In-Network providers”. If you use in-network providers to obtain covered care, benefits are paid at the in-network level. You are responsible for covered charges up to our negotiated plan allowance.</p>
Out-of-Network	<p>You may obtain care from any licensed eye care provider. If the provider you use is not part of our network, benefits will be considered out-of-network. Because these providers are out of our network, we will reimburse you up to the maximum reimbursement amount allowed by the plan. You are responsible to pay the out-of-network provider and then submit a claim to receive your reimbursement.</p>
Pre-Authorization	<p>Pre-authorization is not required.</p>
FEHB First Payor	<p>When you visit a provider who participates with both, your FEHB plan and your FEDVIP plan, the FEHB plan will pay benefits first. The FEDVIP plan allowance will be the prevailing charge in these cases. You are responsible for the difference between the FEHB and FEDVIP benefit payments and the FEDVIP plan allowance. We are responsible for facilitating the process with the primary FEHB payor.</p> <p>It is important to bring your FEDVIP and FEHB identification cards to every vision appointment because most FEHB plans offer some level of vision benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.</p>
Coordination of Benefits	<p>IF: You have medical coverage through FEHB and Aetna's FEDVIP vision plan THEN: Present your FEHB ID card at the time of service as the FEHB plan will pay benefits first</p> <p>IF: You have vision coverage through a non-FEHB plan and Aetna Vision coverage under FEDVIP (covered through a spouse) THEN: Aetna Vision is the primary payor and your non-FEHB plan is secondary</p>

IF: If your **covered dependent child** has coverage through a non-FEHB plan and Aetna Vision coverage under FEDVIP.

THEN: The parent's plan whose birthday occurs first in the calendar year (1. Month, 2. Date) is primary. If the months and dates are the same for both parents, the primary payor is the plan that has provided coverage the longest.

Note: We do not coordinate benefits with non-FEHB health plans

Limited Access Areas

If you live in an area with limited access to a network provider and you receive covered services from an out-of-network provider, we will pay the same benefit level as if you utilized the services of an in-network provider. You are responsible for any difference between the amount billed and our payment. Call us 1-855-347-6899, if you are having problems locating a provider in your area.

Plan Allowance: The maximum benefit payment for services provided in areas not meeting the access standards are shown in the chart below. You are responsible for charges billed over the amounts shown.

Section 8 Claims Filing and Disputed Claims Processes

How to File a Claim for Covered Services

When you visit a network doctor, you do not complete any paperwork or claim forms. Aetna Vision doctors verify your eligibility, plan coverage and obtain authorization from Aetna Vision.

If you decide not to see an Aetna Vision doctor, you are required to pay the provider in full at the time of your appointment and submit a claim for reimbursement up to the amount allowed by the plan.

You may obtain an out-of-network claim form for reimbursement by visiting our website, www.aetnafeds.com or calling our customer service at 1-855-347-6899. Please keep a copy of the information and mail the originals to:

- Aetna Vision
Attn: OON Claims
PO Box 8504
Mason, OH 45040-7111

Deadline for Filing Your Claim

Out-of-network claims must be submitted to Aetna Vision within 15 months of the date of service for reimbursement.

Disputed Claims Process

Follow this disputed claims process if you disagree with our decision on your claim or request for services. **The FEDVIP law does not provide a role for OPM to review disputed claims.**

1. Ask us in writing to reconsider our initial decision. You must:

- a) Write to us within 15 months from the date of our decision; and
- b) Send your request to us at: Aetna Vision, Attention: Appeal Resolution Team, PO Box 14463, Lexington, KY 40512; and

Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and include copies of documents that support your claim, and explanation of benefits (EOB) forms. This is your first level appeal.

2. We have 30 days from the date we receive your request to:

- a) Pay the claim (or, if applicable, arrange for the vision provider to give you the care); or
- b) Write to you and maintain our denial – go to step 3; or
- c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request.

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.

We will write to you with our decision.

3. If the dispute is not resolved through the reconsideration process, and the reason for the denial was based on medical necessity or for experimental or investigational reasons, you have the right to file a second level appeal. That appeal must be submitted within 60 days following the receipt of our first level denial.

4. If you do not agree with our final decision, and the amount of your claim is more than

\$300 and the plan denied your claim because it did not consider the treatment a medical necessity, you may request an independent third party, mutually agreed upon by us and OPM, review the decision. You have 30 days from the date you received our final decision to request a third party review.

The decision of the independent third party is binding and is the final review of your claim. This decision is not subject to judicial review.

Stop Healthcare Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except to your providers, plan, BENEFEDS, or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your explanation of benefits (EOBs) statements, which is available online at www.aetnavision.com.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at [1-855-347-6899](tel:1-855-347-6899) and explain the situation.
- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child over age 22 (unless they are disabled and incapable of self-support).

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure, prior to submitting your enrollment or obtaining benefits.

Fraud or intentional misrepresentation of material fact is prohibited under the plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the plan when you are no longer eligible.
