
 **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** Please read the FEHB Plan brochure RI 73-879 that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure.** Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure at www.AetnaFeds.com, and view the Glossary at www.cciio.cms.gov. You can call 1-888-238-6240 to request a copy of either document.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	Participating: Self \$600 / Self Plus One or Self & Family \$1,200. Non-Participating: Self \$1,250 / Self Plus One or Self & Family \$2,500.	Generally you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay.
Are there services covered before you meet your <u>deductible</u>?	Yes. In-network preventive care, office visits & prescription drugs are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	Participating: Self \$5,000 / Self Plus One or Self & Family \$6,850. Non-participating: Self \$5,000 / Self Plus One or Self & Family \$10,000.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services.
What is not included in the <u>out-of-pocket limit</u>?	Premiums, balance-billed charges, health care this plan doesn't cover & penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.aetnafeds.com or call 1-888-238-6240 for a list of <u>network providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a provider in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your plan pays (balance billing).

Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral.
